School Leadership Team and District Implementation Team
Linking Communication Protocol

Teams or individuals communicating:
DIT Designee(s) and School-Level Contacts / Designees

<table>
<thead>
<tr>
<th>Purpose</th>
<th>To communicate challenges that need to be addressed, successes that need to be sustained and scaled-up, and general implementation topics that require attention.</th>
</tr>
</thead>
</table>

| Information necessary to be gathered and communicated between both groups / teams | **School Leadership Team to DIT**  
- School implementation successes (e.g., data sharing, attainment of objectives, activities, project priorities)  
- Challenges requiring policy or structural decisions by the district  
- Challenges that might require the district to allocate new resources  
- Challenges that might require the district to re-prioritize and/or re-allocate existing resources  
- Possible viable options for resolving challenges | **DIT to School Leadership Team**  
- District-level implementation successes that were made possible based on school successes (e.g., data sharing, attainment of objectives, activities, project priorities)  
- Implementation challenges that require district-wide policy and/or system changes that might impact the school  
- Implementation challenges that require the district to allocate new resources that might impact the school  
- Challenges that require the districts to re-prioritize and/or re-allocate existing resources that might impact the school  
- Opportunities to explore other viable options for resolving challenges that might not have been considered |

| Team Designees | Name of School Leadership Team Designee(s)  
(The information that needs to be gathered and communicated should inform who would be the best person to select to be the School Leadership Team designee.) | Name of DIT Designee(s)  
The information that needs to be gathered and communicated should inform who would be the best person to select to be the District Implementation Team designee.) |

| Format for Gathering Necessary Information | (Identify format)  
Possible Options: Face-to-face meeting, phone call, e-mail, or other. | (Identify format)  
Possible Options: Face-to-face meeting, phone call, e-mail, or other. |
| Timelines for Responding to Challenges and Addressing Challenges | (Insert agreed upon timelines between the School Leadership Team and DIT for: (1) how the challenges discussed to be discussed in the appropriate venue; and (2) how the challenges will to be addressed) Possible options:  
  - Timelines for responding to challenges and acting on challenges are based on the specific challenges identified.  
    - AND -  
  - 10 days for responding to needs and 20 days for acting on needs (general rule of thumb from NIRN) | (Insert agreed upon timelines between the School Leadership Team and DIT for: (1) how the challenges discussed to be discussed in the appropriate venue; and (2) how the challenges will to be addressed) Possible options:

## Example Agenda and Minutes Form

### Participants: School Leadership Team Designee(s) and DIT Designee(s)

<table>
<thead>
<tr>
<th>Time</th>
<th>Agenda Topic</th>
<th>Desired Outcome</th>
</tr>
</thead>
<tbody>
<tr>
<td>10 minutes</td>
<td><strong>Successes (e.g., data sharing, attainment of objectives, activity completion, attainment of district priorities)</strong>&lt;br&gt;  - School Level Success&lt;br&gt;  - District Level Success</td>
<td>- Participants will each have an opportunity to share successes resulting in the installation and successful implementation of the EI components.</td>
</tr>
</tbody>
</table>

### Next Steps and Communication

**Next Steps:**

**Communication:**

10 minutes | **Implementation Challenges Possibly Requiring Policy or Structural Decisions**<br>  - School-Level challenges that might require policy or structural decisions by the district<br>  - District-wide challenges that require policy or structural decisions that might impact the school<br>  - Opportunities to explore viable options to address the challenges |  - School level designee(s) will have an opportunity to outline any implementation challenges their school is experiencing that might require the district to consider policy or structural changes<br>  - The DIT designee(s) will have an opportunity to discuss implementation challenges that will require the district to make policy and / or structural changes. (Challenges could have been shared from other school implementation experiences or other challenges resulting from other information provided)<br>  - Based on what has been shared, designees will have an opportunity to brainstorm / explore viable options to address the challenges |

### Next Steps and Communication

**Next Steps:**

**Communication Needed:**

10 minutes | **Implementation Challenges Possibly Requiring New Resource Allocations**<br>  - School-level challenges that might require the district to allocate new resources |  - School level designee(s) will have an opportunity to outline any implementation challenges their school is experiencing that might require the district to consider allocating new resources |
