

MIBLSI Identified Partners

MIBLSI has defined partnerships with ISDs, Districts, and Schools to:

- Implement an integrated reading and behavior MTSS model
- Implement a multi-tiered behavioral framework
- Implement practices to increase equity in disciplinary practices and behavioral support
- Become a model demonstration site for adolescent reading success
- Host MIBLSI Staff as employees of the organization

A benefit of the above categories of partnership is priority registration and waived registration fees to select statewide events. Only the ISDs and Districts included on the list below can utilize priority registration and waived registration fees. Individuals who register from organizations not specifically listed below will either have their registration removed until the public window is open or be charged a registration fee. **If a district's ISD is listed as a partner but the district is not, then a fee will be assessed for any applicable trainings.**

Adrian Public Schools	Cass City Public Schools
Akron-Fairgrove Schools	Cassopolis Public Schools
Alanson Public Schools	Central Lake Public Schools
