

## SWIS Facilitator Certification Training

This 2 ½-day training, presented by PBISApps and Michigan's Integrated Behavior and Learning Support Initiative (MIBLSI) focuses on using SWIS, teaching others to use SWIS, working with schools to prepare for SWIS compatibility, and working with teams/coaches to apply a data based, decision-making model.

### Target Audience:

SWIS Facilitators are individuals employed by the state/district/region to provide assistance to schools. To obtain SWIS, a school must collaborate with a SWIS Facilitator. SWIS Facilitators have a portion of their workload allocated to the tasks associated with SWIS facilitation. SWIS Facilitators will be trained during the 2 ½- day workshop delivered by Certified SWIS Facilitator Trainers.
